National Chiao Tung University
Founded in Shanghai, China: 1896
Re-established in Hsinchu, Taiwan: 1958
Member of the University System of Taiwan (UST)
** NCTU students can also take courses at Nat’l Central Univ., Nat’l Tsing Hua Univ., and Nat’l Yang-Ming Univ.**

Teaching Faculty: 728
Research Staff: 268
Largest number of IEEE fellows as faculty members among universities in Taiwan.

International students: 1300+
Undergraduate students: 5,478
Graduate students: 8,605
Academic Excellence

- QS World University Rankings, 2016: #174
- 48th in Engineering- Electrical & Electronic
- QS [Asian] University Rankings, 2016: #38
- 10 Departments / Institutes were accredited by Institute of Engineering Education Taiwan (IEET).
- The College of Management was accredited by the Association to Advance Collegiate Schools of Business (AACSB) in 2007, renewed in 2012.

Incubator of Innovators

In innovation, NCTU maintains a remarkable output every year:
- One of the highest numbers of patents among Taiwan universities
- One of the highest revenues in technology licensing in Taiwan
- 116 patents filed and 207 granted in 2016
- 111 technology transfers in 2016

Top Research Center

- Nanoelectronics and Infotronic System Research Center (NISRC)
- Intelligent Information Communication Research Center (I2CRC)
- Frontier Photonics Research Center (FPC)
- Biomedical Electronics Center for Translational Research (BETRC)
- Center for Interdisciplinary Science (CIS)
- Center for Bioinformatics Research
- Brain Research Center (BRC)
- Disaster Prevention and Water Environment Research Center (DPWE)

Facilities & Resources

Excellent and Diverse Education

- Beautiful campus grounds with artistic sculptures on the Kuang-Fu (main) campus.
- Free Chinese language courses are available for international students.
  Website: http://mandarin.nctu.edu.tw/
- A modern library with an extensive collection boasting one of the most complete digital catalogues in Asia.
- A 24-hour study room in our multi-functional library.
- Cyber facilities supported by an advanced computer network linked by optical fibers with a 24-hour computer room.
- Abundant online resources including course management platforms (Blackboard & e-campus) & videotape lectures (OpenCourseWare).
- A mentoring system which underpins a culture of close academic support
- Career fairs (Open House) & international cultural exhibitions.
- A Campus Clinic & a Counseling Center.
- A prayer room.
- Various sports facilities.
- An indoor warm water swimming pool (with spa pool and sauna room)
- Cafeterias, cafes & convenience stores.
- A Student Activity Center, an Arts Center & a Performing Arts Theater.
- Other services including a bookshop, dry cleaning service, hair salon & optician.
Wide-Ranging Programs

Over 100 undergraduate and postgraduate programs.
An increasing number of English-taught courses.

All-English graduate degree programs:

• International Graduate Program in Electrical Engineering and Computer Science (EECS)
• Global MBA Program (GMBA)
• International Master of Science Program for Interdisciplinary Molecular Science of Materials and Chemical Biology
• Grad. Program, Int’l College of Semiconductor Technology
• International Ph.D. Program in Photonics (University System of Taiwan)
• International Ph.D. Program in Interdisciplinary Neuroscience (University System of Taiwan)
• International Ph.D. Program in Environmental Science and Technology (University System of Taiwan)

Revised July 2017

1. NCTU International Scholarship

**General Information**

NCTU International Scholarships are available to outstanding degree-seeking international students with excellent academic and research records. Selected students may be awarded monthly stipend and/or exemption from tuition fees (tuition waiver or reduction).

**A. Amount:**
1. Undergraduate students: up to NT$12,000 (US$400) per month and/or tuition waiver/reduction.
2. Master’s students: up to NT$16,000 (US$533) per month and/or tuition waiver/reduction.
3. Doctoral students: up to NT$24,000 (US$800) per month and/or tuition waiver/reduction.

**B. Duration:** up to 1 year

**C. Renewal:**
At the end of the first semester/year (depends on your award period), students may apply for NCTU International Scholarships for outstanding current students. Award includes monthly stipends (up to NT$12,000 (US$400) / 16,000(US$533) / 24,000(US$800) for undergraduate/master’s/doctrinal students) and/or tuition waiver/reduction. The scholarships for current students are awarded for a 1-semester period in principle and may be reapplied and reviewed regularly based on applicants’ academic performance and research records and subject to a maximum number of years.

2. NCTU Elite PhD Scholarship

General Information

The NCTU Elite PhD Scholarship is provided to encourage newly admitted international students with outstanding academic record and exceptional research contribution. Award candidates are to be nominated by each department and followed by committee review to select award recipients; the award may remain un-awarded if there is no eligible recipient.

A. Eligibility:
A newly admitted doctoral student with outstanding academic records and who has not received any other scholarships from the Taiwan (R.O.C.) government.

B. Amount:
Up to NT$30,000 (US$1,000) per month with tuition and dormitory fee waiver*

C. Duration:
Up to 2 years

D. Renewal:
Scholarship is awarded for the first two years and award recipient’s qualification is reviewed every semester during these two years. From the third year and onwards, award recipients may apply for renewal based on their academic and research performance at NCTU.

*The scholarship award consists of funding parts from the university and parts from the research advisor.

3. TIGP Scholarship

General Information

http://tigp.sinica.edu.tw/

The Taiwan International Graduate Program (TIGP) is a PhD program established in 2002 by Academia Sinica, the foremost research institution of Taiwan. In collaboration with top universities in Taiwan, Academia Sinica offers advanced, inter-disciplinary PhD Programs in nine fields that span the natural and physical sciences, as well as computational linguistics. The programs on offer from NCTU are:

1. Bioinformatics (http://tigpbp.iis.sinica.edu.tw/)

2. Sustainable Chemical Science and Technology (http://tigp-scst.chem.sinica.edu.tw/).

TIGP students will learn in an all-English teaching and research environments, benefit from the instruction of world-class faculty and have access to state-of-the-art research facilities at Academia Sinica and NCTU.

A. Eligibility: All applicants who are admitted to TIGP.

B. Amount: Up to NT$2,000 (US$66) per month.

C. Duration: Up to 3 years

D. Renewal:
The first year is guaranteed whereas the amount of the stipend for the second and third years will depend on student’s performance.

4. **CHT Scholarship**

**General Information**

The CHT Scholarship is sponsored by Chunghwa Telecom (CHT), the largest telecommunication company in Taiwan, based on the premise of academia-industry cooperation. The scholarship is offered to 10 international or overseas Chinese students. Summer/winter internship opportunities are open for scholarship recipients to apply.

**A. Eligibility:**
- Thai, Indonesian and Vietnamese students who are fluent in Chinese

**B. Amount:**
- NT$10,000 (US$333) per month for undergraduate students and NT$15,000 (US$500) per month for master’s degree students.

**C. Duration:**
- Offered for 1 year period and open for application annually. Maximum award period is 4 years for undergraduate students and 2 years for master’s degree students.

**D. Renewal:**
- Every year

**Sponsoring Institution**

Offered by Chunghwa Telecom

**Fields**

Undergraduate and Master’s degree programs in science, engineering, computer science and management only

Application Information

1. Apply online: www.ia.nctu.edu.tw
2. Admission letters issued
3. Upload documents
4. Study at NCTU

Procedures

1. Make sure you are qualified to apply as an international student.
2. Check whether the department/institute for which you intend to apply accept international students.
3. Fill out the application form online, upload and submit all required forms.
4. Check whether you need to submit additional documents for the department/institute to which you intend to apply.
5. Prepare all required documents accordingly and confirm all required signatures.
6. Upload to our online application system by the specified deadline. Late submission and incomplete application will not be processed.
Note

- If you are applying for more than one program, you should list the programs according to your preference and priority; if you are accepted to more than one program, we will only issue the admission offer from the program of your highest preference.
- No application documents will be returned, whether the applicant is admitted or not.
- It is the applicant’s responsibility to upload and submit the completed required documents before the designated deadline. Failure to do so may result in the cancellation of the application.
- Admission to NCTU does not guarantee the issuance of a VISA for Taiwan, Republic of China (R.O.C).

Qualification

Please refer to “Regulations Regarding International Students Undertaking Studies in Taiwan” released by the Ministry of Education (MOE):

http://goo.gl/8JOdk8 (English)  http://goo.gl/nMEo2H (Chinese)

For Article 2 of the above regulation, please also refer to Article 2 of the Nationality Act of the Republic of China (R.O.C., Taiwan): http://goo.gl/XLSYhf

Procedures for Nationals of the Designated Countries Applying for Visitor Visas to the Republic of China (R.O.C.)

For the list of countries and details, please check:

*Failure to meet the above regulations may result in either cancelation or revocation of admission offer, student status or degree certificate.

Required Documents

1. Application Form
   Fill out the online application form, print and sign it.

2. Study plan
   The study plan can be written in English or Chinese. Basic content shall include motivation of application, education/research Background, and prospective study at NCTU.

3. Official degree certificate
   Graduating student should submit a certificate issued by the school/university for the forth-coming graduation.

4. Full official transcript
   If you have attended more than one institution, separate official transcripts should be submitted by each institution.

Note

- Required degree certificate and transcript:
  - Bachelor’s degree applicants: High school (or above) degree certificate and transcript
  - Master’s degree applicants: Bachelor’s (or above) degree certificate and transcript
  - Ph.D. applicants: Master’s (or above) degree certificate and transcript
- The official degree certificate and transcript must be translated into either English or Chinese when the original one is not issued in either language.
- Once the applicant is offered admission, all official academic documents and their translations should be notarized by the R.O.C. (Taiwan) Embassy or R.O.C. (Taiwan) Representative Office in or near the country where the documents are issued. Please refer to the following website for the notarization offices: http://www.mofa.gov.tw/en

5. Two letters of recommendation
   The letters of recommendation must be written by the applicant’s teachers/advisors/employers (who are able to evaluate your academic performance and research potential) in either English or Chinese. If recommenders select online mode and submit letter through online system, then no hard-copy is required. Alternatively, recommenders can choose to “send the recommendation letter by post” and submit in sealed and signed envelopes by post to our office.

6. Proof of nationality
   - Passport
   - If the applicant does not have the passport, the national ID or related identity certificate should be submitted.

7. Confidential financial statement
   (No need to submit at the time of application; however, the admitted students should submit the financial statement on the registration day) The applicant must show documented evidence that sufficient funds to cover all tuition, fees and living expenses are available for the first year of their studies at NCTU, by one of the following means:
• A photocopy of scholarship award notification, or
• An official bank statement is required and should be issued in English/Chinese (dated within the last 3 months) in the amount of USD 6,000 (NTD 200,000) or more. In the case the bank statement is not issued in the name of the applicant, a signed declaration must be provided from the sponsor. In the declaration it should clearly state the sponsor’s relationship with the applicant and commitment to cover the applicant’s all expenses in Taiwan. A template of the declaration is downloadable.

8. Proof of English proficiency
One photocopy of the test score is required. The minimum requirements (or equivalent) are TOEFL PBT 500 / CBT 173 / IBT 73 or IELTS 5.5 unless specified otherwise by some departments/institutes.

Note:
Not required for applicants from or whose previous degree is from English-speaking countries: United States of America, Canada, United Kingdom, New Zealand, and Australia.

9. Proof of Chinese proficiency
This document is required for undergraduate programs; for graduate program, it is subject to each institute’s admission regulation. Chinese proficiency may be evaluated by letters written by Chinese instructors, certificates, or photocopy of test score. TOCFL (Test of Chinese as a Foreign Language) test result is preferred.

Support for International Students

Office of International Affairs (OIA)
OIA is responsible for international admissions, as well as academic exchange with prominent academic and research institutes worldwide. There are several organizations under the direction of the OIA:

Division of International and Cross-strait Services (ICS)
ICS assists international students with all aspects of their stay at NCTU. ICS organizes cultural activities to help students adapt to local lifestyle and cultivate mutual understanding among international students and local students.
International Students Association (ISA)
ISA is composed of international students and local students who are interested in other cultures. ISA creates a platform for aiding international students in their integration into campus community and assisting prospective students from all around the world. Their work includes event organization, for instance, promoting NCTU to international community, planning parties, trips around Taiwan, international cultural presentations and much more.

Life in Hsinchu
Hsinchu lies approximately 80 km south of Taipei, the capital of Taiwan. Also known as the Windy City, Hsinchu is the heart of the high-tech industry in Taiwan and home to the Hsinchu Science Park. Other than cultural and sporting events in NCTU, there are many things to do in Hsinchu, including paying a visit to the Glass Museum, the Hsinchu Zoo, or the historic East Gate. Nature lovers can easily go for a hike in the nearby hills and mountains or go to the seaside for delicious seafood, bird-watching, and a bike ride along the famous 17km scenic route. Events and celebrations are hosted year-around, including the International Rice Noodle and Meatball Festival. For shopping, there are several large department stores and a number of local shops and markets.
